

OUTCOMES

- **Wirehouse / private banks**
Limited payouts, constricted growth, and lack of independence.
- **Legacy firm**
Fragmented tech stacks with multiple vendors, integration friction, and inefficient processes.
- **Mass-market fintech / robo**
Digital skin without the bespoke engineering, alpha-generating strategies, or human-expertise layer of a private bank.

DRIVERS

- Natively built technology
- Marketing and lead gen support
- Back-office, planning, and transition support
- Client service and paraplanning teams
- Expert advisors backed by cutting-edge

OUTCOMES

- 3x advisor book growth
- 90% advisor time spent on client relationships and wealth building strategies (not admin)
- Greater wealth building opportunities
- Industry leading payouts
- Institutional-grade strategies otherwise only exclusively available
