FINANCIAL ADVISOR ASSOCIATION BREAKOUT

See following slides for supporting details and data.

MINDSETS AND MOTIVATIONS

● Wirehouse

Persona: Breakaway builder

Mindset: Ready for more control and higher take-home — without sacrificing a premium, HNW-ready experience.

What they want: Independence with support; brand continuity; seamless transition; elevated client service.

Farther hook: Break away without compromise: better take-home, modern tech, HNW-ready infrastructure.

● RIA

Persona: Scale seeker

Mindset: Growing fast, but ops complexity is capping capacity, consistency, and focus.

What they want: Enterprise-grade operating leverage; fewer systems; clear process; more time for growth.

Farther hook: Scale like an enterprise without building one: a modern operating model that expands capacity + control.

● IBD

Persona: Tech upgrader

Mindset: Independent by choice, but constrained by fragmented tools, fees, and friction.

What they want: One integrated platform; efficiency; autonomy preserved; better execution and service.

Farther hook: Keep your independence with one Intelligent Wealth Platform that simplifies execution and service.

● Insurance

Persona: Market ascender

Mindset: Moving from product-first to planning-led wealth management to go upmarket.

What they want: Recurring revenue; stronger retention; planning credibility; premium client experience.

Farther hook: Move upmarket with a planning-first platform built for retention, growth, and premium service.
