

Category ownership

Every word choice reinforces who we are. These standards ensure our voice feels modern, precise, and trustworthy across all touchpoints.

"Intelligent wealth management" / not "wealth management"
Signals our specific positioning and evolution beyond the category

"Intelligent Wealth Platform"
Our primary platform descriptor

Platform qualifiers

Use
Native, Unified, Proactive, Precise, Active

Avoid
Revolutionary, Disruptive, Advanced (too trendy, not grounded)

Audience language

Clients
"Modern wealth builders" (not "HNW individuals" or "our customers")

Advisors
"Elite advisors" or "expert advisors" (not "our partners" or "FA's")
