

AFFILIATION-AGNOSTIC MOTIVATIONAL MINDSETS / PERSONAL PERCEPTIONS + DRIVERS				
AUDIENCE				
Affiliation Type	Fiduciary Planning Guru	Scale & Efficiency Scaler	Relationship Preservers	Investment Product Wizards
Independent Broker-Dealer (IBD)	High	High (esp. multi-advisor IBDs)	Moderate to low (perhaps mode modertate among mature IBD + older advisors)	Low
Registered Investment Advisor (RIA)	High	High (esp. larger IRIAs)	Low (perhaps more prevalent among older advisors)	Low
Wirehouse	High	Moderate (perhaps more prevelant among entrepreneurial Wirehouse advisors looking to break out)	High (dominant in Wirehouse channel)	High (given scaled corporate research production + access capabilities and runway for corp. specialists)
Bank/Insurance/Captive B/D	High	Low	High	Low (given niche captives w/ lesser-diverse investment product flexibility)
	FIDUCIARY PLANNING GURU Holistic Client Well-being. Views their role as a comprehensive problem-solver, not a salesperson. Success is measured by client outcomes, complexity of plans solved, and client trust. Driven by the intellectual challenge of detailed planning (tax, estate, retirement).	SCALE & EFFICIENCY SCALER AUM Growth and Enterprise Value. Highly focused on operational efficiency, team structure, and M&A. Views the practice as a valuable business asset (high multiple). Driven by maximizing the firm's enterprise value and personal compensation.	RELATIONSHIP PRESERVERS Client Retention and Defined Lifestyle. Often a veteran advisor with an established, mature book of business. Priority is providing consistent, predictable service to a loyal clientele while focusing on work-life balance and a smooth succession path.	INVESTMENT PRODUCT WIZARDS Portfolio Performance and Technical Sophistication. Focused primarily on market analysis, investment selection, and structuring complex portfolios (e.g., alternatives, concentrated stock). They derive professional satisfaction from demonstrating deep technical expertise.
