

Incorrect Usage

To keep our brand symbol strong and consistent, avoid any changes that alter its appearance or reduce its clarity. The examples on this page show incorrect uses that should be avoided in all applications.

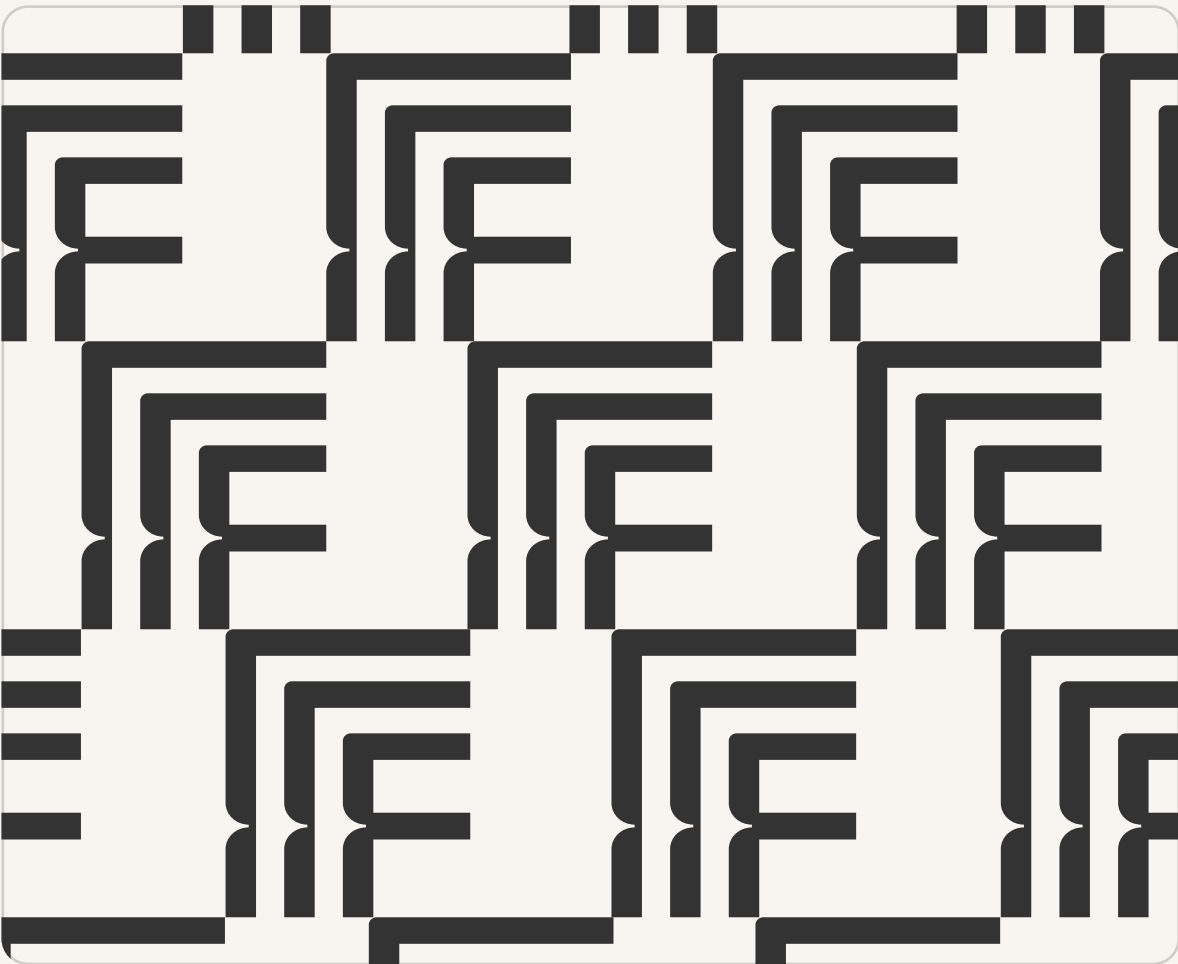

⊗ Don't set the symbol in a sideways orientation

⊗ Don't add extra layers to the symbol

⊗ Don't make the symbol bleed outside of the frames edges

⊗ Don't create patterns out of the symbol

⊗ Don't combine the symbol and the wordmark

⊗ Don't use colors other than Charcoal Black and White
