

Incorrect Usage

To keep our brand wordmark strong and consistent, avoid any changes that alter its appearance or reduce its clarity. The examples on this page show incorrect uses that should be avoided in all applications.

⊗ Don't put the wordmark at an angle

⊗ Don't apply gradients to the wordmark

⊗ Don't use the wordmark as a container for imagery

⊗ Don't stretch or distort the wordmark

⊗ Don't outline the wordmark

⊗ Don't use colors other than Charcoal Black and White
